

**Personal Use Only Recreation Permit  
Rules and Regulations ( This is not a permit)**

**No Camp Fire, Open Flame or Burning of Anything**

**No Motorized Vehicle Off-Road Activities**

**No Hunting**

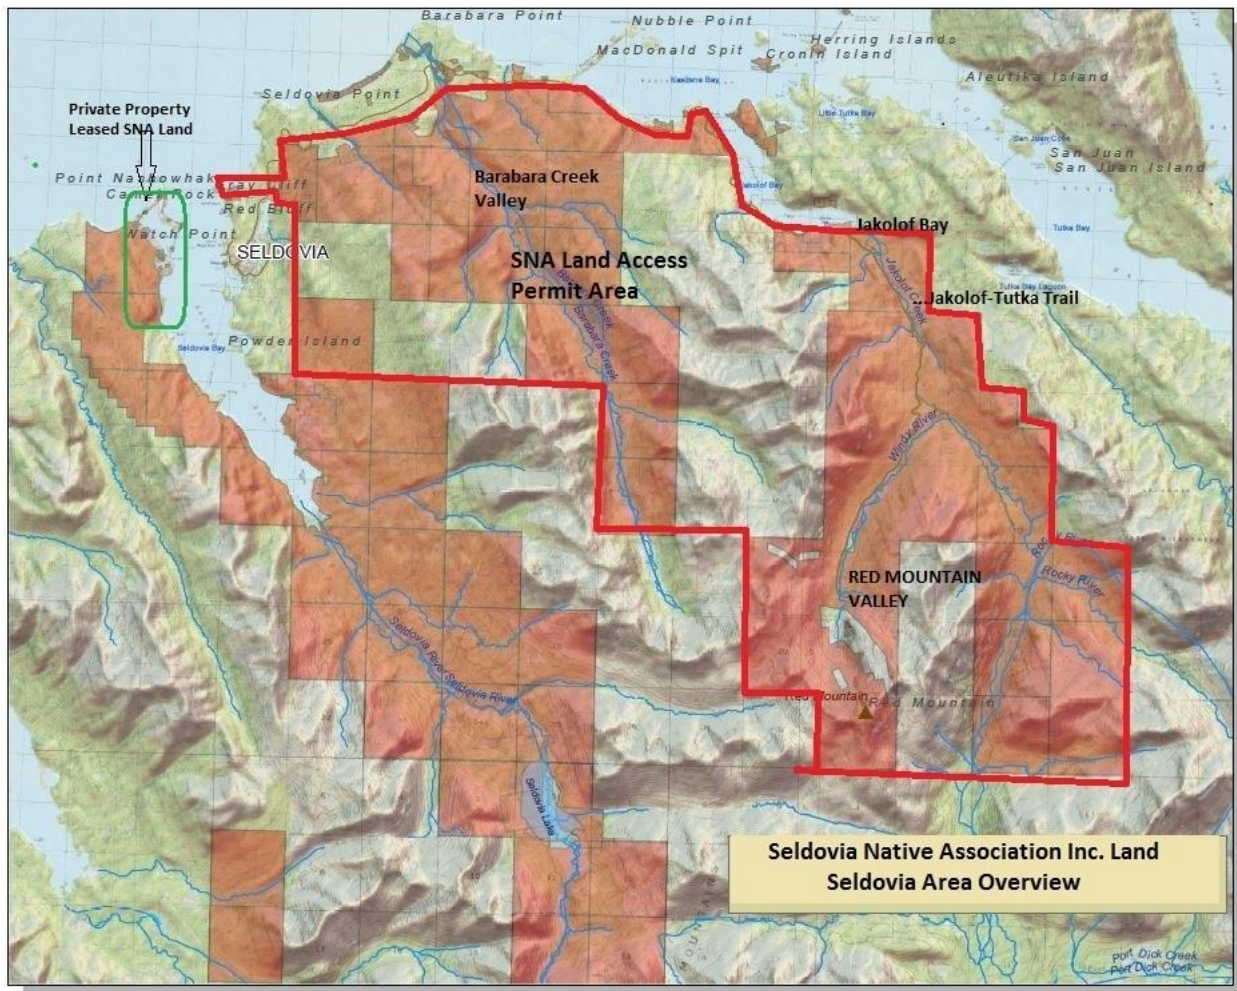

**Must Follow Principles of Leave No Trace**

Permit holder will pay any additional costs SNA may accrue for additional clean-up

**Permit Stipulation:**

1. **Site Disturbance.** Use least amount of ground necessary to protect local habitats. Particular attention must be paid to prevent pollution of streams, lakes, ponds, seeps and marshes, and to prevent disturbances to fish and wildlife populations and habitats.
2. **Solid Waste.** All solid waste, debris and hazardous substances generated from camp use or other activities conducted in accordance with this authorization shall be removed from SNAI land. Trails and campsites must be kept clean and safe; Waste from pets or horses must be disposed of at least 200 ft from any water source, campsite and trails. *Burial of trash is prohibited.*
3. **Timber Use.** No Fires or burning of anything, no timber use.
4. **Human Waste.** All greywater and human or pet waste must be disposed of in a 6"-8" deep cat hole located at least 200 feet from the ordinary high-water mark of the nearest waterbody or marsh and back-filled prior to leaving.
5. **Fuel Storage.** Total combined fuel stored at a campsite shall not exceed 1/2 gallon. All containers must be clearly marked with contents and permittee name. Permittee is responsible for preventing spillage and contamination of contiguous land and water as well as cleaning up any pollutants that result from activities associated with this permit.
6. **Removal of Personal Property.** All components of camps, personal property (e.g. camp gear, trash, containers, & pets etc.), hazardous substances and solid waste must be removed from SNA land on or before the end of the authorized term of use. Permittee shall not remove any surface or subsurface vegetation or materials.
7. **Operation of Vehicles.** Off road vehicular travel is not permitted.
8. **Duty to Avoid.** Must stay clear of any heavy equipment, construction or resources extraction operations or sites.
9. **Inspections.** All short-term (portable) camps on SNAI land are subject to inspection by SNAI personnel, any time.
10. **Fire Prevention, Protection and Liability.** No Fires, no flames! Permittee & Group shall take all reasonable precautions to prevent and suppress fires and shall assume full liability for any damages to SNAI land resulting from negligent use of fire. SNAI is not liable for damage to the permit group personal property and not responsible for forest fire protection of their activity.
11. **Compliance with Requirements.** Permittee shall inform group members, and ensure compliance with all applicable laws, rules, regulations, and the stipulations included in this authorization.
12. **Indemnification.** Permittee assumes all responsibility, risk and liability for all activities of the permittee and group members directly or indirectly conducted in conjunction with this permit. Permittee shall defend, indemnify, and hold harmless SNAI, its employees and agents from and against any and all suits, claims, actions, losses, costs, penalties and damages of whatever kind of nature including all attorney fees and litigation costs, arising out of, in connection with or incident to any act of omission by permittee and group members.
13. **Valid Existing Rights.** This authorization is subject to all valid existing rights in and to the land covered under this authorization. SNAI makes no representations or warranties, whatsoever either expressed or implied, as to the existence, number or nature of such valid existing rights.
14. **Termination.** Permit **is not a property right.** It is temporary authorization, revocable by SNAI with/without cause.
15. **Preference Right.** No preference right for long term use or conveyance of land is granted or implied by the issuance of permit.
16. **Assignment.** This permit is not transferable and authorizes specific activities requested by the permittee
17. **Other Authorizations.** This permit does not eliminate the need to obtain other necessary authorizations from federal, state and local agencies and affected private entities.
18. **Amendments.** The permittee must have prior written approval of SNAI to use short-term portable camps in areas other than those specified in this authorization.

19. **Permit Fees.** Hike, Bike, Berry Pick, Sport Fish, Temporary No-Impact Camp.  
Fee for up to 7 days: \$10 Each Individual.

## Practice Principals of Outdoor Ethics
